BUSINESS TRANSACTIONS

Almost every transaction of modern business is reflected in The Tribune Want Columns from time to time—

The buying and selling of realty.  
The renting of homes and business locations.  
The hiring of helpers in every line.  
Domestic servants—cooks, maids, waitresses.  
The finding of lost articles.  
Securing roomers and boarders.  
Apprentices to learn various trades.  
Juvenile employees for stores, offices, factories.  
Business opportunities for buying and selling.

It's interesting to watch The Tribune Wants—and a careful study of them leads to the accomplishment of many desires—the solving of many problems.
